## How to find us at Mission:

- From **Hwy #1** take the Abbotsford exit (#92) to **Hwy #11 North** through Abbotsford.
- At the fourth set of lights take the right arm of “Y” and follow the signs to Mission (approx. 4kms). When on the Mission bridge stay on the left lane. **Do not take the first exit from the bridge.**
- You will cross **Lougheed Hwy (route #7)** into Cedar Valley connector up the hill. That will take you to **Cedar Street.**
- Stay on it for approx. 3 kms until Dewdney trunk road, where you turn left.
- After 1 km Dewdney trunk road turns right. Stay on it and watch for the “**Mission Landfill**” sign which confirms that you are on the proper road.
- After 2 kms, the range is on the left (on the west side of the road opposite small lake/pond), at the ram sign. The rifle range is on the top after you pass the club house.
- **George K. cell phone is 604 346 6220.**
